Beautiful historic three bedroom, two bathroom townhouse in elevated position with the most enviable roof terrace views in the much sought after white village of Vejer de la Frontera, only 10 minutes drive from the coast.

Vejer is well known for its picturesque cobbled streets and beautiful architecture through the ages which attract visitors from around the world. Its position, high on the hill offers the best of both worlds with views inland across the beautiful natural countryside and out towards the Atlantic coast to North Africa. Vejer has a fantastic selection of some of the best cafes and restaurants in the region of Cadiz and many little shops including those celebrating the abundance of goods produced in the local area.

Casa Jasmina is a wonderful example of an Andalucian style townhouse full of character found in a quiet location off one of the many narrow streets. It is beautifully presented throughout and a brief description is as follows:

Entrance via main door into the hallway decorated with traditional style tiles leading to a 2nd sitting room with large windows equipped with original wooden shutters. A doorway leads into the extensive living room with wood burning stove, dining area and open arch through to the kitchen.

The kitchen has fitted units, a double sink, electric hob, electric oven, space for a fridge freezer and washing machine.

There is also a modern family shower room on the ground floor.

The stone staircase leads to the first floor where there are 3 bedrooms. 2 are double rooms and the 3rd is a single bedroom which could also be used as a good sized office. All bedrooms have built-in cupboards for storage.

There is a newly refurbished family shower room with shower, decorative glass blocks, basin and WC.

Stairs lead to the jewel in the crown - the 3rd sitting room with small kitchenette which opens onto the large private roof terrace with BBQ area and possibly the best panoramic views in Vejer inland, over the old town and out towards the coast of Morocco.

This property would make the perfect lock up and leave and/or fantastic investment property if offered for holiday rentals.
